About Back to School Bash:

Lake Hills Church began holding a Back to School Bash in August 2011. The first Back to School Bash was planned in response to news that resources for free school supplies were going to be reduced due to budget cuts in organizations that had previously served the need in our area. In 2011, we collected school supplies for 100 children, and advertised the event thru Ozark DFS and Least of These food pantry. The turnout was amazing, and required the spontaneous collection of an additional \$600, and a last-minute trip to buy more school supplies! Approximately 300 children were served in 2011. Free food was provided by Backyard Burgers, and students received free haircuts, manicures, & face painting. Live entertainment and games were also featured.

Due to the enormous response in 2011, plans for B2SB were significantly expanded in 2012. We enlisted the help & contributions of approximately 3 dozen area churches, businesses and organizations (see list at the end of this document) and expanded available services to include free sports physicals for pre-registered students, and dental screenings by The Smile Center. Over 700 backpacks filled with school supplies were distributed at the 2012 Back to School Bash, and in the weeks following the event. Backyard Burgers fed 800 people at the bash. Over 150 volunteers from various area churches and organizations staffed the event. Free haircuts, manicures, face painting, and temporary tattoos were available, as well as bounce houses and go-carts courtesy of the National Guard. Live entertainment was provided by Jake Wesley Rogers (featured on the 2012 season of America's Got Talent) and Amelia Parrish.

This year's B2SB is scheduled for Sunday, August 11th, 5 pm - 8 pm. We are hoping to serve 1,000 kids. We made registration forms and flyers available to 6 area school systems prior to the end of the school year, as well as thru DFS and Least of These, Inc., as in years previous. We currently have funds sufficient to serve 600 kids. To serve a growing population of kids in need, we will need to enlist even more community participation and donations than we

LAKE HILLS CHURCH
